Leadership Program

REGION 8 TRLP

2025

The Texas REALTORS® Leadership Program educates participants and shows them how to use their talents to make a difference in their professional and personal areas of interest.

The program consists of eight modules, usually presented once per month. It is delivered through your local association and is not offered at state level. If you are interested in participating in a class, please complete the application on back and submit with required information by deadline below.

“This program was developed to provide an industry-specific tool that local associations can use and cultivate future leaders. Texas REALTORS® describe the experience as life-changing. It has been one of the most effective and successful programs we have ever presented, creating a positive influence for future REALTOR involvement and leadership.”
